○ https://github.com/ameen-git9

PROFILE

- **Completed hands-on internships in Python, Tableau, and UI Engineering, gaining real-world experience in both data visualization and front-end development.**
- **Currently deepening core Python skills at Luminar Technolab with practical projects focused on problem-solving, OOPs, and data structures.**
- **Proficient in building clean UI designs and working with modern web technologies, strengthened through Talrop's UI Engineering internship.**
- **Self-motivated computer science student with experience across data analysis, Python scripting, and frontend UI, eager to contribute to real-world development teams.**

PROFESSIONAL EXPERIENCE

Python Intern   06/2025
Luminar Technolab   Calicut, India
Learned core Python programming fundamentals including variables, data types, control structures, functions, and object-oriented programming.Completed hands-on exercises and mini-projects to strengthen programming logic and syntax. Collaborated with mentors and peers to solve coding challenges and debug code effectively.

EDUCATION

Bachelor of Science in Computer Science   08/2022 – 05/2025
University Of Calicut   Nilambur, India

SKILLS

Programming Languages
- Python (Core Concepts, OOPs, Exception Handling, File I/O)
- HTML, CSS, JavaScript (Basic UI Design)

Tools & Technologies
- GitHub
- VS Code
- MySQL

Web Development
- UI Engineering Fundamentals (as trained by Talrop)
- Frontend Development (Clean layout, responsive design basics)

PROJECTS

Online Booking & Reservation System   01/2025 – 03/2025
React-based Hotel Booking Admin Dashboard
Developed a full-stack hotel booking system with a React.js admin dashboard. Integrated real-time CRUD operations for rooms, users, and bookings. Built responsive UI with SCSS, dynamic charts, and data tables. Implemented role-based access and modular component design for scalable hotel management.

CERTIFICATES

Python and Tableau Basics Training – Techolas Technologies
- Completed academic visit and training on Python fundamentals and Tableau at Techolas Cochin branch on 08/12/2023.

UI Engineering Internship – Talrop
- 10-day hands-on internship on UI Engineering conducted by Talrop in association with Amal College, from 07 to 18 February 2022. Certificate ID: TRWK23450.
